Juan Magán

Bailando Por Ahí

Sony Music brought LMP in to promote Juan Magán's electro-latino single “Bailando Por Ahí” (℗ 2011 Sony Music Entertainment España).

In September 2011 LMP ran a set of banners for it on its homepage — long, mid and tall banners in the site's rotating slots — pointing visitors to the single on iTunes.

The single's cover. LMP's 2011 banner images themselves were not archived.

Printed from iamlmp.com/advertise/campaigns/juan-magan-bailando-por-ahi/ on November 12, 2026 at 11:52 AM (New York time). Figures marked Live are as our automated feeds stood at that time — they refresh hourly to daily.
